

ref_counted.hpp

```
graph TD; A[ref_counted.hpp] --> B[atomic]; A --> C[cstdint];
```

A diagram illustrating the dependencies of the `ref_counted.hpp` header file. The header file is shown in a gray box at the top. Two blue arrows point downwards from the bottom of this box to two white boxes below it. The left box is labeled `atomic` and the right box is labeled `cstdint`, indicating that `ref_counted.hpp` includes these two headers.

`atomic`

`cstdint`
